We Are The Moving Minds

Who are we?

We are a university of applied sciences that offers a unique opportunity to question the status quo and make room for innovation. We aim to maximise the interaction between research and education and take our students' goals and well-being to heart and made their future our mission

Where are we located?

Campus Proximus is located in Leuven

How to reach us?

Leuven is easily accessible by public transport. If you arrive by plane at Brussels Airport, you can take the train to Leuven at the railway station in the airport building. To reach the campus, you can take a bus.

We Are The Moving Minds

Description of the project

Hybrid Cloud Computing combines public and private clouds with an on-site data center, increasing flexibility to adapt to dynamic workloads to fit your needs now and in the future. Teams will create inspiring solutions in hybrid cloud management.

Goal

At the end of the project, you'll present your solution and you'll have had a great experience with your fellow students and teachers

Accommodation for students

You will be staying at the Youth hostel Blauwput next to the railway station

Registration for students

The registration fee of 250 euro includes 4 nights with breakfast, 4 lunches, 2 dinners, social and cultural activities. You will be invoiced by your own school
