A UCLL FACE MASK FOR YOU!

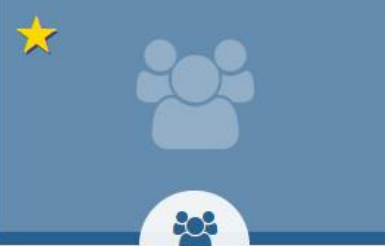

Because wearing a face mask is a requirement on all campuses, we will provide a reusable face mask for all students and staff. Today, the first batch of masks is being mailed to students (to their postal address provided in KU Loket), staff will receive their masks after the student deliveries. During the following 2 weeks, all 20,000 face masks will be delivered to UCLL and sent to students and staff. So, do not worry if you do not find the UCLL face mask in your mailbox in the coming days. They are on their way!

Needless to say that we ordered UCLL pimped masks. Wonder whether you like them :-)
