

# IVAN – Intensive Preparatory Year

## A steady start in Higher Education!

IVAN offers you a unique chance to prepare yourself during 1 year to level up your academic Dutch and moreover, to strengthen the terminology of the chosen domain

**DO YOU WANT TO GRADUATE?**

**DOES YOUR KNOWLEDGE OF DUTCH  
NEED AN UPGRADE?**

**IVAN, THE INTENSIVE PREPARATORY  
YEAR FOR NEWCOMERS MIGHT BE THE  
IDEAL SOLUTION FOR YOU!**

### What do we offer:

- Dutch in a UTC – ILT Leuven
- basic subjects: maths, excel, office...
- subjects in your field of interest:  
Business Management, technology, sciences, ...
- A second language: English or French
- study- and learning skills for HE
- a personal development planner

You choose a trajectory from the start.  
After one year in IVAN you are ready to enter or start up  
again in higher education for a chosen path on  
vocational, bachelor or master level.

If you are already graduated in one of the domains, and  
have some work experience in the field, then we can look  
for a practical in your study area during the second  
semester.

### What do you need:

- a certificate or diploma of secondary education granting access to HE in your country
- succeed the test NT2 starting level 3 of ILT (B1)
- a high amount of motivation and the will power to study hard
- a residence permit to stay in Belgium

**You will get more information in a digital session  
on Wednesday April 26 or Friday June 23 at 2 pm**
