

Internationalising the curriculum at VUB Brussels

UCLL LEUVEN, 11 MAART 2016

Context and challenges

- ▶ Educating for the diverse context of the capital of Europe
- ▶ Restrictions on teaching in English
- ▶ Mobility requirement: 20% (EU) and 30% (Flanders)

Aims of the project

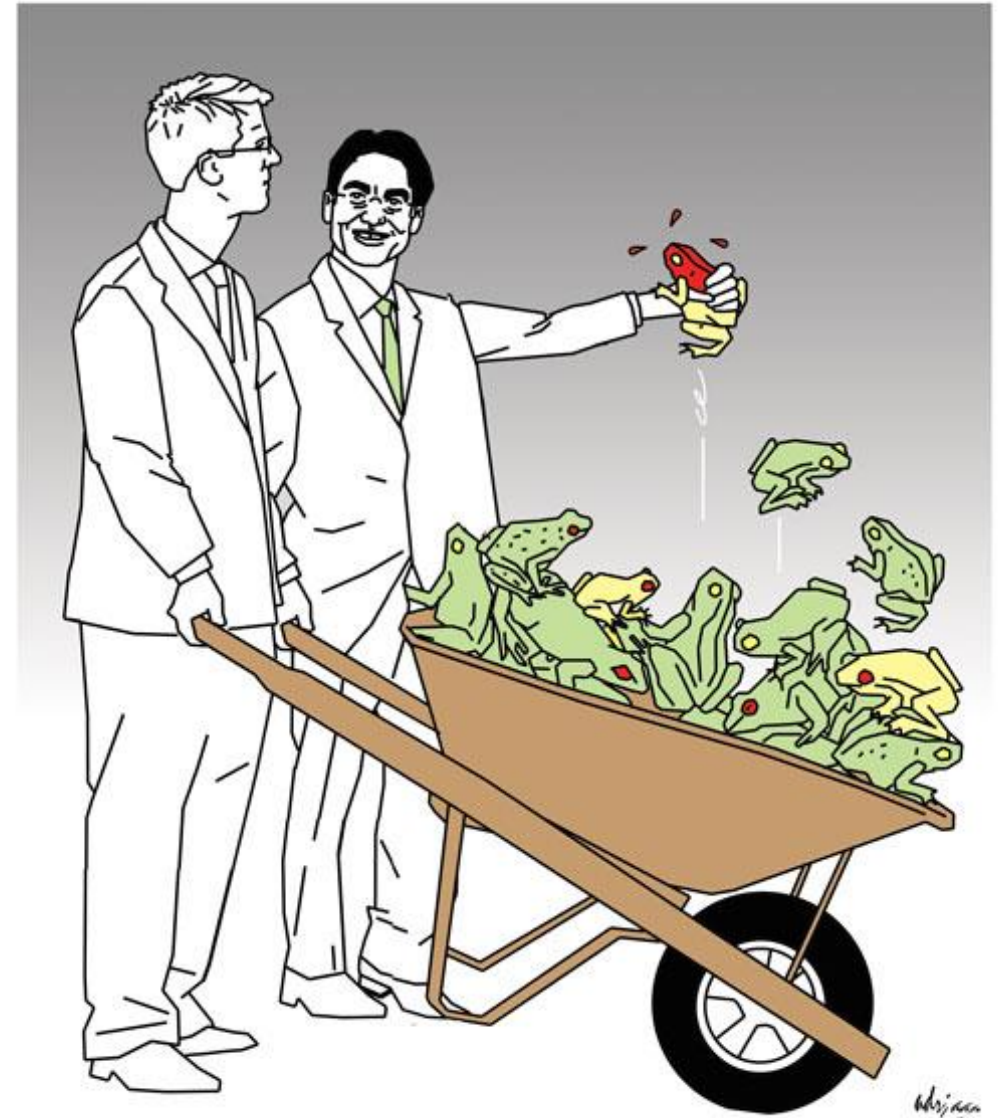

- ▶ Internationalise the curriculum of pilot programmes, including mobility windows
- ▶ Enable educational developers and other stakeholders to steer and support the process

Activities and roles

- ▶ International Office kick started the project, but wants to transfer it to other stakeholders
- ▶ Two day seminar on meaning and practices
- ▶ Follow up within the pilot programmes
- ▶ Focusing on learning outcomes on the basis of reverse engineering

Experiences

- ▶ Different speeds
- ▶ Involvement of educational developers varies
- ▶ What if the mobility aim is not achieved?
