## TOPICS

### Intercultural Cooperation

Cooperation between cultures north and south

### Globalisation and Sustainable Development

Developing expertise due to a research-oriented and learning attitude with respect to globalisation and sustainable development from an economic and political perspective.

### International Activity

Participants take part in activities as well as individual or group projects focusing on the International Competences: Personal Growth, Intercultural and Language competences, Global Engagement and International Disciplinary Learning f.i. International weeks or conferences

### Social Inclusion and Diversity

Students learn how to work towards an inclusive society, in which every individual plays an active role and in which diverse members share a sense of belonging and mutual respect

### Creative techniques

Students learn to approach complex issues in a creative way and how to put them into practical use. The focus is on children, youngsters and the support of their environment.

### HR Communication

Students will work on the core values of social work: service, human relationships, respect, social justice, dignity and integrity.

### Leadership and change

Students learn about frames and models of leadership as well as change and how leadership functions as a lever of change.

### Personal Development

Students discover their specific profile based on an online scientific-proof questionnaire, focusing on personal talents and potential. This is the start of continuous work on the student's personal development throughout his or her career.

## PRACTICAL

### LOCATION

UCLL, campus Sociale School Heverlee,

Groeneweg 151, Leuven, Belgium

☎+32 16 375 100

### COST

Erasmus students pay tuition in their home country.

Students pay for travel, accomodation, daily costs, transportation and excursions. An Erasmus grant can help to cover some of these costs. For the Personal Development course, an extra fee for the TMA test will be asked.

For International Activity, the participation in an international week may need an extra travel and housing cost, depending on the type of project. We always try to organise everything low budget

### TIMING

First semester: 14/09/2019 - 31/01/2020

### ACCOMMODATION

Students live in Leuven and will be assisted by the international office to find a place to live.
