NEW

Starting from academic year 2018-2019, the Student bus pass will be loaded onto a MOBIB-card. This card is not a valid ticket by itself, but a carrier for tickets and ticket formulas.

You already have a MOBIB-card of De Lijn? In that case you don't have to do anything. The Student bus pass will be automatically loaded onto your MOBIB-card.

You already have a MOBIB-card of another transport company? If you have a MOBIB-card of another transport company (NMBS, TEC, MIVB), you have to bring it to one of the stores of De Lijn and have it registered. All store locations can be found online at <https://www.delijn.be/nl/vervoerbewijzen/verkooppunten/lijnwinkels.html>. Don't forget to bring your identity card.

If you don't have the card registered in one of the stores, De Lijn will send you an invoice for €5 and will make you a new MOBIB-card. Your Student bus pass will be loaded onto your new MOBIB-card and will be sent to you when you have paid the invoice.

You don't have a MOBIB-card yet? De Lijn will make one for you on the basis of the information that you gave us. The card will be sent to the address you provided. Your Student bus pass will be loaded onto your MOBIB-card.

You didn't receive your MOBIB-card one month after the request? In that case, you can send an email to abonnementen@delijn.be

How do I use my MOBIB-card?

Scan your MOBIB-card every time you board a bus: hold your card in front of the blue circle underneath the MOBIB-scanner.

As soon as the MOBIB-scanner recognises your card, a check on a green background will appear on the screen. You don't have to scan again when you get off the bus.

Does the screen turn red? The error could be caused by your bank or other magnetic cards or by your phone. Try to hold only your MOBIB-card in front of the scanner.

Your MOBIB-card is **strictly personal**: only the owner may use it. You have to show your MOBIB-card and your identity card upon inspection.

Additional rules

Scan your MOBIB-card every time you board a bus. If you don't scan your card, you don't have a valid ticket. In case of inspection, the fines of De Lijn can be imposed on the owner of the bus pass.

In case of loss or damage Go straight to one of the stores of De Lijn. Our employees will give you a temporary card that you can use to continue travelling until you receive your new MOBIB-card.

In case of **unlawful use** of the Student bus pass, the fines of De Lijn are applied and imposed on the owner of the bus pass. Examples of offences: exceeding the Leuven area without paying for extra zones or use by a person who is not allowed to use a Student bus pass.

Taking the bus outside Leuven

You can only use the Student bus pass to travel within the Leuven area. This means that you have to get on and off the bus within the valid zone. The map above indicates the borders of the valid zone of the Student bus pass.

If you want to travel further or if you get on the bus outside the Leuven area, you need to buy a regular ticket **when boarding the bus.**

If you want to travel further, there are different options:

- Download the m-card10 from the De Lijn app for €15
You get 10 trips for €1.50 per trip (valid for 60 minutes)*
- Download the m-ticket from the De Lijn app for €1.8 per ticket (valid for 60 minutes)*
- Buy a ticket for €2.15 by sending a text message (€2 + €0.15 provider costs)*
