

Challenges of Social Work in the 21st century.

We intend to offer to our incoming students a well-balanced insight in Social (Care) Work and Special Education as it is organised in the Belgian Flanders region.

To get most benefit of the programme, the students join a study of Dutch language (3 ECTS) and follow a course of intercultural communication.(3 ECTS)

Underneath you can find a brief description of the other courses

Common programme subjects: (18 ECTS)

BELGIUM AND THE EUREGIO

Students will be introduced in the Belgian cultural and political organisation, as well as get acquaintance with the unique position of UCLL in the Euregio (Flanders, Wallonia, Germany and the Netherlands)

THE FLEMISH WELFARE SYSTEM

Students are supposed to understand the Flemish Welfare System in its organisation, structure and functioning from guided study, study – visits, attended lectures on different relevant subjects.

The students need to compare their findings with the welfare organisation of their homeland.

PRACTICE RELATED TO SEMINAR TOPICS

The students will be offered the opportunity to do some practice for about 40/50 hours within a Flemish Welfare organisation/ institution/... Leisure activities such as sports, cooking, music, creative techniques, .. can be considered, but also schoolwork support, individual guidance, ... figure amongst the possibilities.

SOCIAL ISSUES

The course introduces the student in current social work issues and practices . Within a self-governing project group, students develop a explorative and a subsequent more in depth analysis of a social case.

The following competences are acquired: organizing, analyzing and forming an opinion

Individual choices: (6 ECTS)

Students make 2 choices out of these 5

CHILD AND YOUTH STUDIES

The course 'Child and Youth studies' explores changing conceptualizations on children and youth within the social sciences and how these affect the ways we care for and work with children and young people in different professional contexts.

SOCIAL EUROPE DAYS

Lecturers, social policy experts and students from 7 European countries (North, South and Central Europe) are involved in the programme of the Social Europe Days (April), figuring central themes as 'Challenges for Social Policy, Social Work and Human Resource Management. There will be an additional cost of approximately 75 € for accommodation.

BRUSSELS FROM A MULTI-ETHNIC, MULTICULTURAL AND METROPOLITAN PERSPECTIVE:

In this choice subject we focus upon Socio-Educational Care Work for vulnerable (young) people in Brussels, the multiracial and multicultural capital of Europe . There will be an additional cost of approximately 75 € for accommodation.

E-SOCIAL WORK:

As society turns more digital, social care workers today are working in an area where digital competences have become a prerequisite to ensure high quality social care work. E-Health is on his way up to become mainstream. In this course students will participate in an ongoing research or something like that.

LSCI:

LSCI is an advanced, interactive therapeutic strategy for turning crisis situations into learning opportunities for children and youth with chronic patterns of self-defeating behaviours. LSCI views problems or stressful incidents as opportunities for learning, growth, insight, and change.
