**INTERNATIONALE STUDIEDAG: OP NAAR EEN  
KWALITEITSVOLLE LEERKRACHT-KIND RELATIE**

### **FOSTERING YOUNG CHILDREN'S INTELLIGENT AND SENSITIVE INTERACTION WITH THE SURROUNDING WORLD (MISC) (ENGLISH)**

Hilde Stroobants  
UC Leuven-Limburg

MISC is an interaction style that helps children develop a sensitivity for their environment and interact with that environment in a more intelligent way. In this interactive workshop we work with videomaterials to learn about the basic principles in MISC and how to recognize and use them in practice
